ABOUT THE

RIVTE

Rabindra Institute of Vocational and Technical Education is a unique institution for imparting quality vocational & technical education to the students of different ages and classes. Since its establishment in 2019 the organisation has been working tirelessly to elevate the standard of education through modern, innovative and technology oriented lessons. It is well known to all that a young boy or girl of present generation must have vocational & technical education knowledge if he or she wants to make a career in life. RIVTE is providing this education to equip the learners' education. Many students after having completed their courses from there, have reached their cherished goal of career in different government and non-government sectors, their own business and establishments.

*“Education breeds confidence.
Confidence breeds hope.
Hope breeds peace.”*
